Dear Parents/ Guardians,

As you are aware that on-campus theory classes for I PUC and II PUC students have already started as per the government directives. **ONLINE CLASSES HAVE BEEN COMPLETELY STOPPED ON MST FROM 15.02.21.**

We request and encourage all parents to send your ward to attend classes in college for better and effective learning. Face to face interaction of lecturers and students will assist in better preparation for the forthcoming final exams.

We will also begin the **PRACTICAL CLASSES for Science and Commerce (Computer Science)** from **MONDAY the 22 February 2021**. It is a must for students to come **PERSONALLY** for the practical sessions.

Please note that all I PUC & II PUC Science and Commerce (CEBA) students must make necessary arrangements for attending the offline practical sessions from **Monday, February 22nd** onwards.

The detailed timetable is already communicated to the students in the classes as well as in student whatsapp groups.

In case there are any difficulties faced by the parent / student in attending the classes on campus, the parent / guardian is requested to contact the Principal / Vice-Principal in person / through phone / email / letter.
